Doris Decker followed up on items that were discussed at the April 9th meeting with Beth Pilling. Doris contacted the Montgomery County Tree Revitalization program. The county will supply trees to streams, and watersheds but not to private properties, which the committee was requesting for 4th Street.

It was discussed that the committee should pursue trees for the open space program by planting trees along the trail, building and park.

Doris Decker will relate this information to Dave Schiffgens and Beth Pilling.

Respectfully submitted,

Darlene Stoudt, Secretary
